

COMMANDER IN CHIEF
ALLIED FORCES SOUTHERN EUROPE

28 FEB 1977

Dear Giovanni,

Many thanks for your thoughtful letter of farewell. I join with your many friends in Naples and in NATO in expressing our regret at your departure from the office of Commissioner, and in extending warmest best wishes to you for every success and happiness in the future.

My own tour in Naples has been abbreviated by my summons back to the United States, and so I share with you the special emotions of leave-taking.

With warmest regards and personal best wishes.

Yours,
Stansfield Turner
